

30 years of unique corporate intelligence expertise enabling our clients to make smarter decisions.

DON'T JUST STAND THERE

Existence Evaluation aims to establish whether the targets are still validly registered and are still in business with our hexagonal assessment system, including screening on our unique database, company registry checks, discreet interviews and market enquiries.

A fixed fee of US\$ 1,200 (NO additional disbursement costs) address your concerns.

- It is a long-standing case?
- Wondering if they are still properly registered?
- They simply ignore calls?
- Never get a reply to emails?
- Are they still active?
- Are they in bankruptcy?
- Are we the only one that's suffered?
- It's a "brass plate", registered offshore?
- Any contact details of them?
